This upcoming event holds significant importance, as it provides an opportunity to engage in a discussion about your child's present academic achievements and explore the available options for their GCSE studies.

Appointments for Math, English, and Science sessions can be reserved online and attended in person at Goodwin Academy. The remaining duration offers flexibility for attending an options presentation in the theatre and an opportunity to explore the marketplace and engage in discussions about various option subjects with subject leaders and teachers (no appointments are necessary for this part of the evening).

The presentations in the theatre will focus on the available option pathways and subject choices. Instructions on completing the options form will be provided during these sessions at the designated times mentioned above.

The Market Place offers an opportunity to engage with Curriculum Leaders and subject teachers, allowing your child to make well-informed decisions about their options.

In the upcoming weeks, Year 9 students will learn more about the subjects available to them during assembly, they will have an opportunity to experience these subjects during taster sessions from the 17th March and during their timetabled lessons. The deadline for submitting option choices is Thursday 4th April 2025.
