THINKING SCHOOLS
ACADEMY TRUST

Welcome and objectives

- Provide all the information to help and support your child through the option process.
- Answer any questions you and your child will have regarding their movement into Key Stage 4
- Provide your child with a quality education to enable them to be successful.

Time to Choose

The most important decision in your school life so far:

- Chance to set out future study or career pathways
- Chance to choose subjects in which you can achieve
- Chance to be the BEST you can be.

Be Your BEST

The Reason

Exciting time for schools

- Opportunity to design our own curriculum
- Designed to meet the needs of our students
- Designed to offer a broad and challenging curriculum

Making the right choices for you

- Choose subjects that you will enjoy
- Choose subjects that you are good at
- Choose subjects that will support your career plans
- Choose a combination of subjects that give you a broad experience of learning
- Do not choose subjects because you want to be with your friends
- Do not choose subjects because you like the teacher

Three Pathways

Core

- Traditional options pathway designed to challenge
- EBacc curriculum with language optional

MFL

- Selected from more able students for additional challenge
- EBacc curriculum with a language encouraged

Study

- Selected students
- Bespoke curriculum offering opportunity and challenge

Taster sessions will provide all students with the chance to explore "new" subjects during periods 2 and 3 of the school day. Students will receive a customised timetable for these sessions.

This will be an opportunity for them to discover more about these subjects and get a feel for what it would be like to participate in them.
